BLUE TRAIN PROJECT

Carlo has been instrumental in arranging certain improvements and introduced activities for the kids which has kept the venue active even while the train is not operational.

We are pleased to advise that the R30,000.00 Grant in Aid from the City of Cape Town towards the Blue Train has been received.

We successfully hosted over 900 kids from the 7/09/09 to the 23/09/09 from: Crossroads, Rocklands, Khayelitsha, Philippi, Langa, Mitchels Plain, Elsies River & Nyanga!

We have been collecting e-mails from visitors to the Train for our 'Blue Train Kidz Club' (Almost 100 members now and growing).

Although the Train was not working there was more than enough to do with: Soccer, Jumping Castle, Face Painting, Rock Climbing, Bubbles and sitting in the Train. (None of the schools wished to cancel their bookings)

A big thank you to Andrew for arranging a donation of 6 umbrellas for the blue-train area.

Max, Acton and Melvin all learnt the skill of Face Painting, and Max has become an expert Bubble maker!
